Registration opens March 2023
www.mountainview.gov/ActiveNet

Explore Fall and winter at the Farm and meet the livestock! Join Deer Hollow Farm staff as we make weekly check-ins with the farm animals. We'll be highlighting one barnyard resident each session with story time, activities, crafts and face to fuzzy-face meetings with the farm animals.

Family friendly activities for 3-5 year olds. Parent participation is required. Allow time to find parking at the Rancho San Antonio Open Space Preserve, and to travel the flat 1-mile by foot, stroller or bicycle to the barnyard. Light rain or shine.
